**REQUEST FOR RECONSIDERATION OF PETITION
UNDER 37 C.F.R. 1.181**

Sir:

In response to the Decision on Petition under 37 CFR 1.181(a) dated December 16, 2008, Applicant respectfully requests reconsideration of the Decision in light of the accompanying submission. The Decision states that a copy of the master docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action serves as documentary proof of nonreceipt of the Office action in compliance with MPEP 711.03(c). In reliance upon this statement in the Decision, Applicant has enclosed with this Request for Reconsideration a copy of the firm's Master Docket Report showing all replies docketed for May 28, 2008, a date three months from February 28, 2008, the mail date of the nonreceived Office action. Applicant respectfully submits that this Request is in compliance with 37 CFR 1.181(a) and requests that its Petition be granted.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required
